

## **2017 Calgary Performing Arts Festival – Handbell Workshop**

**We are continuing with our workshop style classes for the School Handbell Choirs entering the Festival.**

- There will be dedicated workshops for Beginner Handbell and more advanced Junior Handbell choirs.
- The workshop sessions will run for approximately two hours, depending on the number of choirs registered.
- Each choir will have its own table set-up on the stage so you can place your bells before the workshop begins.
- A piece will be selected for each workshop that can be used for mass ringing at the end of the session.
- Classes will be non-competitive and each choir will receive an oral and written adjudication for their performance along with a participation certificate.
- If you are able to join us for Festival 2016, please complete the registration form attached and we will forward the selection for mass ringing to you in January..

**There are only two class numbers to choose from:**

**64000 – Beginner Handbell Choir**

**64500 – Advanced Handbell Choir**
